A MESSAGE FROM YOUR MINISTER...

Above the mountains the geese turn into the light again
Painting their black silhouettes on an open sky.

Sometimes everything has to be inscribed across the heavens
so you can find the one line already written inside you.

Sometimes it takes a great sky to find that small, bright
and indescribable wedge of freedom in your own heart.

Sometimes with the bones of the black sticks left when the
fire has gone out someone has written something new in the
ashes of your life.

*You are not leaving
you are arriving.*

Minister's Message continued from page 1 . . .

My dear friend,

Here we are—beginning another church year together!

At First Parish Church, our beloved church home, we all share our individual *spiritual* journeys. My favorite definition of the spiritual life is: “*growing a soul and helping to repair the world.*” I hope that you will do a whole lot of both this church year.

Last year our monthly sermon series focused on the seven principles of our Unitarian Universalist tradition. This year we will explore our sources (*printed below*).

On October 1st, our church will host a special public talk by the internationally acclaimed spiritual author, Thomas Moore. Thomas will be speaking about his new book, “**A Religion of One's Own: A Guide to Creating a Personal Spirituality in a Secular World.**” **Put this special event on your calendar—a great way to begin this year of spiritual exploration (and bring a friend for free!!).** And take advantage of our small group ministry program, our life-long learning adventures and Sunday morning worship—all designed to enhance your free and responsible search for truth and meaning.

The mission statement of FPC reminds us all that we are here to learn, grow and serve the world---so *let's be about the business of doing just that, -----and let's have lots of fun along the way!!*

What a joy to be together again---welcome back, welcome home!!

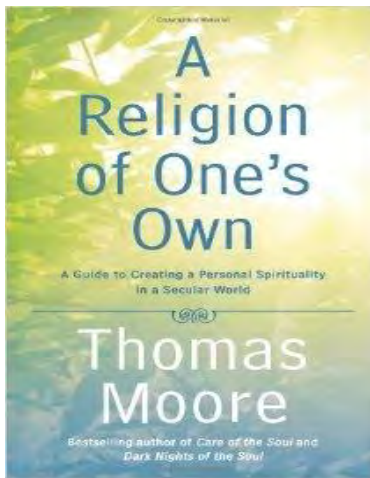

Catherine

OUR UU SOURCES:
The living tradition we share draws from many Sources:

- Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life
- Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love
- Wisdom from the world's religions which inspires us in our ethical and spiritual life
- Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves
- Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit
- Spiritual teachings of earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.

Message from the Junior Choir Director

Our Jr. Choir is starting up again along with the church school! Last year was great! As the director, I was honored to be showered with so many compliments. Our small group of singers worked really hard and got many chances to experience presenting a fun assortment of songs and arrangements to the congregation in addition to the classic pageant music. I hope and pray everyone from last year is planning to return AND that we are joined by more children with an interest in singing. Please consider giving your child the chance to be a star performer! It is definitely a fun and rewarding experience. We meet each Sunday at 9:30 (an hour before church, but, later than the school bus)! Thank You -- Alex Pevzner'

Mondays, 7:00-8:30pm, Beginning September 8th - It's the best-selling book of all time. It's a foundational text of Western civilization. It has many adherents and detractors. It is regarded by different people, alternately, as science, history, myth, and/or literature. But how might UUs engage with it as a *sacred text*? Please drop in on a Monday night and join us as we engage with the lectionary text each week, looking at both its historical context and its relevance to our own lives.

Interfaith Immigration Summit at Arlington Street Church, Sat Sept 27, 10:00 am to

4:00 pm sponsored by UU Mass Action, Boston New Sanctuary Movement & Alliance for Immigrant Justice.

During '14 summer 60,000 unaccompanied children came to the USA seeking asylum. Our government has not recognized these children as refugees fleeing violence and imminent death. Six children are known to have been killed as a result of being deported back to Honduras. In order to advocate for the justice these children deserve, we must first educate ourselves. The Summit program will highlight a **panel discussion with immigration experts and personal stories told by newly arrived families** about being forced from their home country and the ordeal they are facing in the US. Lunch will be provided. To sign-up for this free event, visit uumassaction.org/events. Donations accepted.

Other UU Mass Action News:

Stand up for Immigrant Children Rally was held at the Statehouse on August 9th. Marilyn Christmann, Sherry Gardner and Nancy Nowak marched and raised up our voices for Immigrant Children and Reform. We joined with dozens of UUs (lots from the South Shore and the Cape) and hundreds of other MA citizens in solidarity with immigrants. Together we Stood on the Side of Love. Check out photos of Marilyn and Sherry et al on facebook/uumassaction 8/11/14.

SPIRITUAL ACTIVIST LEADERSHIP TRAINING UU Mass Action, under the new dynamic leadership of Laura Wagner, reached its goal of raising \$5,000 through *Faithify*, a crowd funding process presented at General Assembly. The UU Funding Program is matching the \$5,000. Laura writes: "With this money we will be able to hire top notch educators for the SALT program, reserve adequate meeting space and make comfortable lodging arrangements. Best of all, we sent a loud and clear message to our young adults that we love and support them! Thank you for the generosity of your contributions." SALT plans to have 6 young adults in the program by Jan 2015. Registration for young adults (20s to early 30s) is now open. To learn more and to apply, visit uumassaction.org/salt.

The Mass Trust Act Victory UUs have a lot to be proud of! On August 20th the Boston City Council voted unanimously to pass the Boston Trust Act! This came as a result of years of coalition building between Immigrant Rights groups and the interfaith community, including UU Mass Action. During the last several months the focus shifted from the statehouse to the Boston City Council. After passionate advocacy work and public hearings, the council members chose to stand on the side of love! This victory follows Cambridge and Somerville's decision to stop honoring ICE (Immigration and Customs Enforcement/DHS) holds on undocumented immigrants not accused of a crime. The Hampden County sheriff also ordered the county to stop honoring ICE holds. UUs— savor this victory before we renew our efforts for a statewide end of ICE holds. Read more: uumassaction.org.

**VERY IMPORTANT STEWARDSHIP UPDATE****IF YOU HAVE NOT YET MADE YOUR PLEDGE, COULD YOU DO SO?**

The Finance Committee has been working hard this summer and will very shortly provide us with a budget for this current year. That budget will be determined in large measure by your pledges received during last spring's Stewardship Campaign. We all did a great job of understanding the needs of this wonderful church. We are, however, still some \$8,000 short of our goal. This means cuts within the budget with potentially severe cuts to Religious Education, Social Justice and Music. Additionally we may not be able to celebrate our wonderful minister with a raise after 10 years of outstanding ministry.

IT'S NEVER TOO LATE, BUT IT IS GETTING VERY CLOSE!

We are so close--let's make it happen! If you have not pledged this is for you!

Please contact one of your Stewardship Chairs with a pledge or discuss your pledge. Cindy Ladd Fiorini or Sharon Nabreski. If you would like a member of the committee to visit with you we are more than happy to do that as well. You may also send your pledge directly to the church. Thank you so much for all you do!! Your Stewardship Committee

We hope everyone can attend First Parish Church's traditional Ingathering breakfast. Come to enjoy the company of old friends and meet new members and friends too as we begin a new year of friendship and worship. We will offer bagels, pancakes, scrambled eggs, sausage and fresh fruit. This breakfast will be held in the Assembly Hall. The suggested donation is \$4 per person, \$15 for a family. We look forward to seeing you there. *The Hospitality/Fellowship Committee*

Save The Date!!
Annual Committee Chair Meeting
October 9th, 7:30pm

"Welcome Back"
by Intern Minister Tom Bozeman

After a remarkably temperate Summer, we return to the regular church year to worship, to do some good committee work, and to bask in the light of this community once again! As I enter the third (and final) year of my internship at both the Duxbury and Kingston UU churches, I'm excited to continue both supporting your spiritual growth and doing some growing of my own.

One of my favorite mutual growth opportunities last year was the intercongregational drop-in Bible Study sessions that were held on Monday evenings in the Duxbury parlor. Getting to share in such a rich spiritual practice with one another was so nourishing. Those sessions will continue as last year, although there will be a small twist: Revs. Cullen and King will also be leading them. I hope that you'll join us!

Additionally, any UU men are encouraged to join the intercongregational Men's Group that meets on the second and fourth Thursday of each month. We gather to both support each other's journey through life – something which happens all too rarely among men in our society. We will be starting back up on September 25. I look forward to seeing you all again soon!

NEW BELLRINGER DATES FOR 2014-2015 CHURCH YEAR

We will be changing our Bell Ringer Deadline dates for the new church year. We are trying to make it more uniform each month with having the same day, the 24th of each month being the due date. Also, it would be beneficial for everyone to have the bell ringer in their hands at the start of the new month. We think it will work out well but will need a couple of months to get the ball rolling and everyone to become familiar with the new deadline date.

So For This Coming Year, Here is the BellRinger Deadline Schedule:

October 24th
 November 24th
 December 29th
 (December it is a little later because of the holiday)
 January 24th
 February 24th
 March 24th
 April 24th
 May 24th

Join us for a morning of coffee, conversation and creativity.

PARTNER CHURCH NEWS

The minister of our Partner Church in Nyaradszereda, Transylvanian, Rev. Szilard Sandor, completed his course of study in pastoral counseling in July. Counseling is fairly new in this part of the world, and Szilard is looking for a job in the field in addition to ministering to two churches. Our donation of \$200 to the minister simply helps him with family expenses. Both of his children will be away at high school this year as there is no high school in their tiny village. They live in a small parsonage in Jobbyfalva (his other church) which is very primitive by our standards.

Our gift of \$300 to our Partner Church was spent in a very significant way. Until now our Partner Church has resisted contributing to parsonage maintenance because it is not their building. This year they voted to spend the money to repair the outside of the parsonage signifying a change in their thinking. We will post some pictures of the work on the bulletin board in the near future.

UU Urban Ministry sponsors an Interfaith Open House at First Church in Roxbury (1632) and Islamic Society of Boston Cultural Center (1981)

Sunday, September 28, from 2:00 pm to 4:30 pm. Come learn what's happening at Roxbury's oldest and newest places of worship. The tour starts at the 1804 UU meetinghouse, climb up to the steeple for a stunning view of Boston, ring the Paul Revere bell, and participate in a scavenger hunt to learn the church's history (related to Harvard College, Roxbury Latin School, and Revolutionary War). Learn, too, about the activities and goals of UU Urban Ministry, stewards of the First Church. The tour moves to the Islamic Society of Boston Cultural Center, the largest mosque in New England and a dynamic cultural center. The guide will speak about the Center's architectural and spiritual features. Learn about Islam, the Boston Muslim community, and discuss how UUs can foster interfaith dialogue. This UUUM open house offers all UUs, our young families and friends, an opportunity to explore the rich diversity of faith and culture within our nearby neighborhoods.

SPIRITUAL ACTIVIST LEADERSHIP TRAINING Program

UU Mass Action's SALT program, collaborating with the College of Social Justice, plans to engage 6 young adults (20s to early 30s) by Jan 2015. Registration is now open. If you—or someone you know—would like to learn more and/or apply, visit uumassaction.org/salt.
