A MESSAGE FROM YOUR MINISTER...

Who can be grim
in the face of such abundance?...
The voluptuous rhododendron
and the plain grass
are equally filled with themselves,
equally declare the miracles
of color and form...--Rev. Lynn Ungar

Spring has finally sprung---look around you and enjoy!

Governing Board

Governing Board President's Report

The Governing Board has been busy this spring. Transition is a big theme and the ministerial transition team made up of Regina Mortland, Ted Lillys, Donna Savicki, Emily Simeone and Lilly Leedom is working hard on getting an interim minister that will fit our congregation. There was a lot of information gathering involved in putting together a package of facts that represented who we are. Stay tuned in May for the results!

At the same time, your Governing Board Vice President Tracy Wagner and I are busy interviewing and talking to all the staff and chairs of key committees as we prepare to wrap up Catherine's ministry and embark on two years of interim ministry. This is ongoing and if you have any questions or concerns please contact either one of us.

Another initiative is reimagining the various financial people and groups into a newly defined Finance Committee. Tracy and I have been meeting with this group of people to try it out for the last few months and it seems to be working really well with lots of sharing of information and ideas. For example - Venmo is coming!! This is a By-Laws change and the opportunity to find out more information about it and ask questions will be presented after church on May 7.

At the last meeting the Governing Board discussed having a display protesting gun violence over the summer on our front lawn. This is still in the planning stages and we would encourage anyone who has ideas on this.

There are 5 people who are going to attend General Assembly either in person or virtually. We have one delegate card still available. Let me know if you are interested.

Lastly SAVE THE DATE - June 11 - for a Sunday morning service celebrating Catherine and Catherine's party at 4-6:30 at the church!

In faith -

Cindy Ladd Fiorini, Chair for the Board

POOL PARTY STILL OPEN TO ALL!!

At the Service Auction, Rick and I offered a summer pool party at our house for adults and children on **Saturday July 29 from 1 - 4**. We will have snacks and some beverages but mostly a time in the summer to get together and have some fellowship. There is still room for more! To sign up see either Jim Hamilton or myself. The donation to the Service Auction is \$10 per person, \$20 per family! Hope to see you then! Cindy Ladd Fiorini, claddfiorini@gmail.com

Revisions to our bylaws will be offered for approval at the Annual Program Meeting next month.

In brief, the proposed changes are:

- References to 'chairperson' and 'chairpersons' have been replaced with 'chair' and 'chairs'
- References to chairs serving no more than two years have been removed
- The prior Finance Committee description has been removed
- References to the Director of Religious Education (DRE) have been replaced with Director of Community Life and Learning (DCLL)
- Communications has been updated to Communications, Systems, and Information Technology and provided with a new description
- The new Finance Committee description has been added under Appointed Committees
- The Systems and Information Technology description has been removed
- References to the individual Communications and Information Technology committees have been reworded
- The reference to the date of the Personnel Policy Manual has been removed (under Personnel)
- The Social Justice committee text has been updated and now includes a reference to Welcoming Congregation
- The Welcoming Congregation section has been removed
- A table of contents has been inserted

Aside from updates and minor revisions for readability, proposed changes include combining committees (Social Justice and Welcoming Committee/ Communications and Systems & Information Technology) that have already merged in practice.

The purpose of restructuring the Finance Committee is to assign responsibility for drafting the annual budget to the people most closely informed of church finances, and streamline the approval process for capital projects and unforeseen expenses.

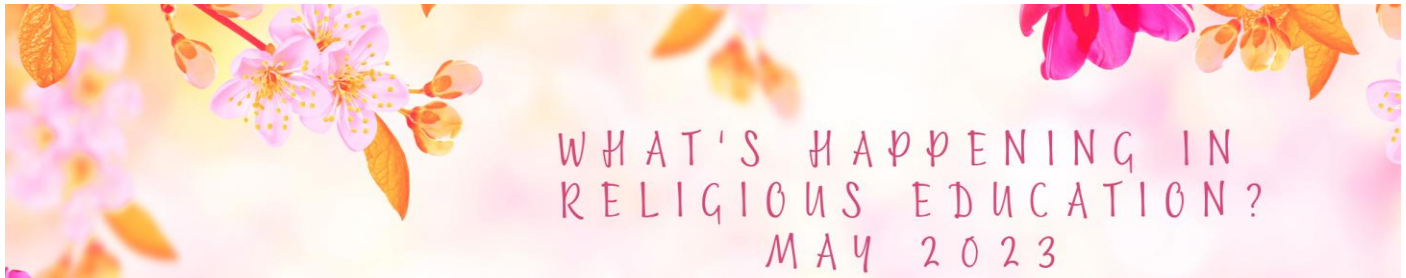

This new Finance Committee will, if approved, become an appointed committee, with the following composition and charge:

FINANCE COMMITTEE

The Finance Committee shall consist of eight (8) Members of the Parish. Seven (7) shall be appointed on ex officio basis: the Vice President, the Treasurer, the Finance Liaison, representatives from the Stewardship Committee and Trustees of Parish Funds, and two (2) members of the Treasurer team. One committee member shall be elected from the Parish at large to a three (3) year term. The Treasurer shall be a non-voting member. It shall prepare an annual budget for review by the Governing Board and advise the Board on all matters of finance. Minutes shall be taken at all meetings. A copy of these minutes shall be delivered promptly to the Administrative Assistant to be placed on file and shall be made available on request to all Members and Friends of the Parish.

An information session to discuss these proposed changes will be held following worship on May 7.

Members of the Bylaws Committee are Bob Clark (rjclark1950@gmail.com), Amy Hamilton (AmyHamilton416@gmail.com), Jim Hamilton (jim@GreenHarbor.com), and Jeanne McKinney (alexam19@verizon.net).

Welcome to the month of creativity! It's getting to that point in the church year where it feels like everything is coming up so quickly! We have a lot going on this month, so I'll just get to it.

On Friday, May 5th the RE Committee is hosting a Cinco de Mayo themed dinner with childcare to foster and strengthen the connections among our families. Our Religious Education program is growing and we are intentionally planning opportunities for our newer families to connect with one another and learn about what our RE program and our broader church community have to offer. We are in need of a couple of adult volunteers to help with the kids (we have 19 signed up so far!) ALL of the RE comm members are parents of young kids themselves, so please help out if you can.

Sunday, May 7th we are bringing back the Hunger Walk. During the service, the RE kids will be walking a course in the Cemetery to raise money for the 55th **Annual Project Bread's Walk for Hunger** to break the cycle of hunger in Massachusetts. Our kids will be asking for you to sponsor them – be on the lookout for our kids to be coming around during coffee hour with pen and paper in hand! Please help our children understand that our actions are how we live our principles in the world, and it is our responsibility as UU's to take care of people who are in need.

Sunday, May 21st is Celebration Sunday. Please join us to celebrate our children, youth and all the volunteers that help us provide a program filled with learning about what it means to be a part of our beloved Unitarian Universalist community.

Finally, our 4th-6th grade OWL class will be wrapping up this month with a celebration dinner for the kids and their families. This class was a great success thanks to Tracy Wagner & David Murphy for stepping up and facilitating this program for our young youth, and to the parents who recognized the value of having their children participate. It was an enormous commitment for everyone involved. Our OWL programming

(Our Whole Lives) is one of the most important things we can do as UU's for our children, youth and their families. Continued congregational support of UUA OWL Programming demonstrates our community's commitment to helping our families raise healthy, informed and spiritually grounded young people.

SHARE THE PLATE - MAY **CROSSROADS C5 LEADERS PROGRAM**

Once a month, our Church's entire plate collection is donated to a non profit agency whose mission aligns with our UU principles and that has been nominated by a church member and selected by the Share the Plate Selection Committee.

On May 21st, the **C5 Leaders Program of Crossroads** for Kids in Duxbury will be our beneficiary. This is an intensive experiential learning program for teens in grades 8-12 from Dorchester, Roxbury, Mattapan, Quincy and Brockton neighborhoods, where poverty rates far exceed the state average. The program includes weekend workshops during the school year and overnight experiences each summer, as well as peer mentorship, academic counseling, college career exploration, and more. This program was nominated by Mary Flanagan.

If you are interested in serving on the Share the Plate Committee, or have an organization you would like to nominate for our next church year, please contact Kathleen Teehan or Eleanor McGonagle.
