We rotate setting up, hosting, and cleaning up for coffee hour by member and friends' Last names.

When it's your turn, please arrive @ 9:15am with some food to share and help set up the coffee hr. buffet! Please help host during coffee hour and begin the cleanup. Meet your fellow members and friends and have some fun! A member of the fellowship committee will be there to help set up and our sexton will help complete all the dishwashing. Coffee sides are always stocked! We also have extra cookies in the cupboard near fridge.
